NEWSLETTER – JUNE’ 2021

Dear Students and Parents,

“It does not matter, how much distance this pandemic has created in miles, as you are forever in our hearts with your cherishing smiles”.

Welcome back! We hope that everyone enjoyed the vacation. We are going to be meeting soon to pursue the growth and development of our learners through digital mode by making it a boon.

Despite the lockdown, we have put every effort to make this teaching-learning process interactive as well as fascinating for you, together with hands-on activities to encourage and foster cognitive development.

In this time of online schooling, we have worked hard to minimize every obstacle and bring school at your sweet home to make you soar high in the sky!

In these tough times, we pray for your well-being and hope to continue learning as schools are closed but not our will.

Get yourself ready with enthusiasm and motivation, we will see you online from 10th June.

Stay safe and happy.

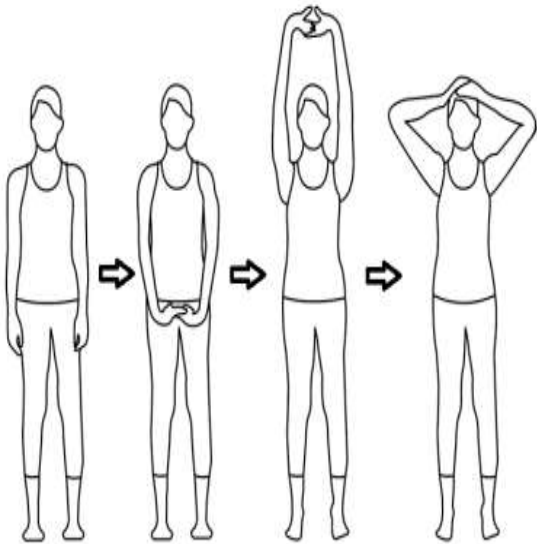

All the best!
