A man of Vision  
Wisdom and  
Passion

**In Memoriam – Lt. Brijender Mutneja ji**

This year we have lost the gem of our **VIS** family.  
The cruel hands of destiny snatched away our  
beloved Respected Sir, a sincere and versatile  
personality. He served the school his whole life and  
touched the hearts of everyone.

May his soul rest in peace and always give blessings  
to us and fulfill all his dreams.

# A Great Principal is not just a title it is a commitment to shaping futures

Principals are the stalwart leaders who guide the journey of education, inspiring both students and staff alike. They are the pillars of wisdom, compassion, and vision, dedicating themselves to creating an environment where knowledge flourishes, dreams take flight, and success becomes attainable. Respected Dir./Principal Ms. Veena Kumari ji, thank you for being a guiding light in our educational journey. Your vision for our school is truly remarkable.

*The purpose of education is to turn mirrors into windows.” The principal goal of education in the schools should be creating men and women who are capable of doing new things, not simply repeating what other generations have done.” Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth.”*
